TOP SECRET CONTROL  
(OFFICE OF SECURITY)

## PAST - PRESENT

- A. Inspector General Inspection, date unknown, recommended that Central Reference Service and Office of Security get together and recommend that either CRS or OS be assigned the responsibility and authority for operation of TOP SECRET Control System.
- B. Memorandum for the Record, dated 9 June 1972, executed by Deputy Director of Security, indicated that Mr. Colby, Executive Director-Comptroller, on 2 June 1972 stated that he desired that the Director of Security handle the designation and management of Top Secret Control Officers and designation of controls. Also, in this memo it was disclosed that Mr. Coffey ruled that the function of the Top Secret Control Officer would be given to the Director of Security.
- C. Memorandum for Deputy Director for Support dated 22 September 1972, executed by the Director of Security, Subject: Transfer of Top Secret Control Function to the Office of Security. Paragraphs 3 and 6, . . . . . the management of a collateral Top Secret Control Program for CIA; . . . . . as well as control function over COSMIC, CENTO, and SEATO Top Secret documents. Also, paragraphs 10 and 12 discussed the slotting of a GS-14, plus GS-7 Administrative Assistant and a GS-05 Clerk Stenographer.
